## PROFILE SUMMARY

I have over 6 years of experience to deliver exceptional results. My proven track record includes a remarkable 1071% increase in organic traffic, propelling a website from 7,000 to a thriving 84,000 visitors. This success extends beyond volume, demonstrated by a 22.32% improvement in on-page SEO score. I'm passionate about creating data-driven strategies that achieve measurable growth, and I'm eager to contribute my expertise to your company's online success.

## WORK EXPERIENCE

### Senior SEO Manager

Digifik

January 2024 - Present

- Lead the SEO team in developing and implementing effective SEO strategies.
- Conduct comprehensive keyword research to identify target keywords and drive organic traffic.
- Oversee on-page and off-page optimization efforts to enhance search engine rankings.
- Manage technical SEO audits and resolve any issues to ensure optimal website performance.
- Develop and execute link-building strategies to improve domain authority.
- Monitor and analyze website analytics to assess performance and identify opportunities for improvement.

### SEO Manager / WordPress Website Team Lead

Dallas Parrots

October 2023 - Present

- Increased organic traffic by 1024% (7k to 84k) in 5 months as SEO Manager & WordPress Team Lead at Dallas Parrots.
- Led website overhaul, improving user experience (UX), aesthetics, and technical SEO for search engine ranking & user engagement.
- Implemented SEO best practices, achieving top Google rankings for key industry terms.
- Improved on-page SEO score by 17 points (76 to 93) for enhanced website optimization.
- Utilized analytics to monitor performance, track key metrics, and assess SEO strategy effectiveness.
- Orchestrated content creation across website copy, social media posts, and email campaigns.
- Managed social media platforms (Facebook, Instagram, Twitter) to drive community engagement, brand awareness, and audience growth.
- Collaborated with designers, backlink experts, content creators, and stakeholders to define website goals, target audience, and KPIs.
- Spearheaded a 7-member team, fostering communication and streamlining website design & content strategy.
- Executed technical SEO tactics for optimal website crawling, indexing, and search engine visibility using Google Search Console.
- Leveraged data analytics to inform website optimization strategies and ensure continuous improvement in organic traffic and search engine rankings.
- Successfully managed a comprehensive website overhaul project within a defined timeframe, ensuring on-schedule completion and alignment with overall business goals.

### SEO Team Lead / WordPress Designer

Premier Choice International

January 2020 - August 2023

- Promoted to Team Lead within 1 year at Premier Choice International, overseeing a team of designers, developers, SEO experts, and social media managers.
- Optimized & coordinated website design, development, SEO optimization, and social media strategies for the team.
- Provided guidance, training, & support to team members, ensuring project success and achieving business objectives.
- Integrated collaborative workflows & strategies to streamline processes and boost team efficiency.
- Led team meetings, conducted performance reviews, and contributed to strategic planning and decision-making.

### SEO Executive / WordPress Designer

Premier Choice International

January 2019 - January 2020

- Developed and launched a WordPress website for the Real Estate sector at Premier Choice International (started as SEO Executive/WordPress Website Designer).
- Oversaw and optimized the website for SEO, achieving improved search engine rankings and organic traffic growth.
- Created SEO strategies including keyword research, on-page optimization and link building to enhance online visibility.
- Crafted and scheduled engaging social media content for audience growth and brand awareness.
- Directed social media platforms to foster community engagement.
- Monitored website performance and analytics to track progress and identify optimization opportunities.
- Utilized data-driven insights to inform SEO strategies and ensure continuous website improvement.

### WordPress Website Intern

LMNTAX

July 2018 - December 2018

- I have designed and developed a custom WordPress website for LMNTAX which is a tax consultancy firm in Virginia.
- I created a visually appealing and user-friendly interface catering to the target audience.
- Successfully integrated the company's branding and messaging throughout the website.
- Integrated WordPress themes and plugins to ensure full functionality and meet specific client requirements.
- Mentored the website's content and SEO, including writing and editing various content formats like articles and blog posts.
- Optimized web content for search engines, improving organic traffic and visibility.
- Monitored website traffic and performance metrics, identifying areas for SEO improvement.
- Implemented ongoing SEO strategies to enhance the website's search engine ranking.
